The Personal Equivalent of War? How to Cope with Rapid Substantial Climate Change

Colin Duncan, McGill University

This colloquium was initiated as part of the Berkeley Workshop on Environmental Politics, an interdisciplinary program which also sponsored working groups, conferences, and residential fellowships. Colloquium meetings are entirely devoted to the discussion of papers that are made available in advance of the session. The workshop is funded by the Luce Foundation and the Hewlett Foundation. For more information on current projects, see the Green Governance Project.
